Subscribers to the Archive will be provided with access to the content on the Oxford Journals website at no extra cost.

## Keep your archive up-to-date

Twelve new titles are joining the Oxford Journals Archive in 2011. If you have previously purchased the archive you can add this new content, or other content added since you purchased, to your archive. Our flexible pricing options allow you to pick and choose which subjects and which years you want to add. You will find more information about the new titles added in 2011, and between 2006 and 2010 on our website at
