

OXFORD JOURNALS ECONOMICS & FINANCE COLLECTION

Featuring content dating back to 1996, the Oxford Journals Economics & Finance Collection brings together prestigious, highly-cited journals and is ideally suited to those working within the areas of economics, business, or finance. The collection includes content from specialized fields such as legal, geographical, agricultural and practical economics, as well as broader theory engaging with international economics and global finance.

From 2011, this collection will also feature *The Quarterly Journal of Economics* - the world's highest-ranked economics journal by impact factor, and *Review of Economic Studies* - the highest-ranked economics journal outside of the US and one of the top-5 economics journals worldwide.

Oxford Journals is committed to providing high-quality, cutting-edge research at excellent value. Our collection packages are individually priced per institution or consortium to ensure that you get the best possible deal, and customers can choose to subscribe to a customized selection of the titles listed below.
