

You've subscribed to our journals, activated access and trained your users...what next?

To ensure that your library users make the most of your online subscriptions, you may want to promote your collection and help your users familiarize themselves with the wealth of functionality offered with online content.

The Oxford Journals Library Marketing Team would like to offer you free printed promotional materials for you to display in your library/institution to encourage users to access our content.

Please view the selection of materials available below and indicate on the back of this form which you would like us to post to you free of charge.
