The journal emphasizes cutting-edge sociological inquiry and explores realms the discipline shares with psychology, anthropology, political science, history, and economics.

Parliamentary Affairs

Publishing since 1947, 4 issues per year, and included in the 2010 ISI Journals Social Science Citation Index with an Impact Factor of 1.238.

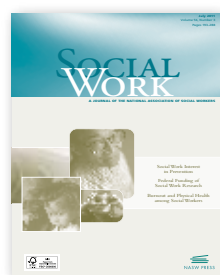

Parliamentary Affairs is an established, peer-reviewed academic quarterly covering all the aspects of government and politics directly or indirectly connected with Parliament and parliamentary systems in Britain and throughout the world. The journal is published in partnership with the Hansard Society. The Society was created to promote parliamentary democracy throughout the world, a theme which is reflected in the pages of *Parliamentary Affairs*.

The British Journal of Social Work

Publishing since 1971, 8 issues per year; Included in the 2010 ISI Journals Social Science Citation Index with an Impact Factor of 1.524.

The leading academic social work journal in the UK, *BJSW* covers every aspect of Social work, with papers reporting research, discussing practice, and examining principles and theories. It is read by social work educators, researchers, practitioners and managers who wish to keep up to date with theoretical and empirical developments in the field. Published for the British Association of Social Workers.

Social Work - NEW

Publishing since 1956, 4 issues per year, included in the 2010 ISI Journals Social Science Citation Index with an Impact Factor of 1.048.

Social Work is the premiere journal of the social work profession. Widely read by practitioners, faculty, and students, *Social Work* is dedicated to improving practice and advancing knowledge in social work and social welfare. Its articles yield new insights into established practices, evaluate new techniques and research, examine current social problems, and bring serious critical analysis to bear on problems in the profession. Major emphasis is placed on social policy and the solutions to serious human problems. Published on behalf of the National Association of Social Workers.

The Quarterly Journal of Economics

Publishing since 1886, 4 issues per year, and included in the 2010 ISI Journals Social Science Citation Index with an Impact Factor of 5.940.

The Quarterly Journal of Economics is the oldest professional journal of economics in the English language covering all aspects of the field. *QJE* is invaluable to professional and academic economists and students around the world. Published on behalf of Harvard University.

The Review of Economic Studies

Publishing since 1933, 4 issues per year, and included in the 2010 ISI Journals Social Science Citation Index with an Impact Factor of 3.113.

Founded in 1933 by a group of young British and American economists, *The Review of Economic Studies* encourages research in theoretical and applied economics, especially by young economists. Today it is widely recognized as one of the core top five economics journals. *The Review* is essential reading for economists and has a reputation for publishing path-breaking papers in theoretical and applied economics. Published on behalf of Review of Economic Studies Ltd.
