CREATIVE COMMONS LICENSE

You agree that OUP may include the Article in this journal on an open access basis. Once published under this model, the Article will be made freely available online for non-commercial use immediately upon publication. The article will be distributed under the terms of the Creative Commons Attribution Non-Commercial License (<http://creativecommons.org/licenses/bync/2.5/>) which permits unrestricted non-commercial use, distribution, and reproduction in any medium, provided the original work is properly cited.

As part of the journal the article will be made available as part of a long-term archive without subscription barriers to access. Notwithstanding any exclusivity granted by you to OUP in respect of other versions, users of open access versions are entitled to use, reproduce, disseminate, or display articles, for non-commercial purposes, provided that:

- the original authorship is properly and fully attributed;
- the Journal and OUP are attributed as the original place of publication with the correct citation details given;
- if an article is subsequently reproduced or disseminated not in its entirety but only part or as a derivative work this must be clearly indicated.

For commercial re-use, users should contact journals.permissions@oxfordjournals.org.

THE LICENCE TO PUBLISH

While this journal will be primarily made available in open-access online form, we also require you to grant us other publication rights (including print) so that we may produce other versions of your work (for example, printed promotional copies).

You hereby grant to OUP an exclusive licence for the full period of copyright throughout the world. In particular, this provides OUP with the exclusive right:

- to publish the final version of the Article in the above Journal, and to distribute it and/or to communicate it to the public, either within the Journal, on its own, or with other related material throughout the world, in printed, electronic or any other format or medium whether now known or hereafter devised;
- to make translations and abstracts of the Article and to distribute them to the public; to authorize or grant licences to third parties to do any of the above;
- to deposit copies of the Article in online archives maintained by OUP or by third parties authorized by OUP.

You authorize us to act on your behalf to defend the copyright in the Article if anyone should infringe it and to register the copyright of the Article in the US and other countries, if necessary.

In the case of a multi authored article, you confirm that you are authorized by your co-authors to enter this licence on their behalf.

PLEASE READ CAREFULLY

You confirm to OUP and the Consortium that the article (1) is your original work; (2) has not previously been published (in print or electronic format) is not currently under consideration by another journal or if it has already been submitted to other journals, it will be immediately withdrawn; (3) will not be submitted for publication to any other journal following acceptance in the above Journal; and (4) OUP will be the first publisher of the article.

You warrant to OUP and the Consortium that (1) no part of the article is copied from any other work, (2) you have obtained ALL the permissions required (for print and electronic use) for any material you have used from other copyrighted publications in the article; and (3) you have exercised reasonable care to ensure that the article is accurate and does not contain anything which is libelous, or obscene, or infringes on anyone's copyright, right of privacy, or other rights.

MORAL RIGHTS

You hereby assert to OUP and to its licensees the Author's right of paternity in the Article as provided in the Copyright, Designs and Patents Act 1988 and accordingly it is agreed that you are entitled to have the Article published in your name.

You are entitled to object to any amendment or alteration to the Article which would breach your right of integrity in the Article as provided in the Copyright, Designs and Patents Act 1988 but you agree that OUP may amend and alter the Article in such manner as OUP may reasonably consider necessary and the OUP agrees to discuss any substantial changes to the Article with you.
