## OPEN ACCESS AGREEMENT - CREATIVE COMMONS

OUP will include the Article in this journal on an open access online basis. The Article will be made freely available online for non-commercial use immediately upon publication and distributed under the terms of the Creative Commons Attribution Non-Commercial License (<http://creativecommons.org/licenses/by-nc/2.5/>) which permits unrestricted non-commercial use, distribution, and reproduction in any medium, provided the original work is properly cited.

The article will be made available as part of a long-term electronic archive without subscription barriers to access. Notwithstanding any exclusivity granted by you to OUP in respect of other versions, users of open access versions are entitled to use, reproduce, disseminate, or display articles, for non-commercial purposes, provided that:

- the original authorship is properly and fully attributed;
- *Nucleic Acids Research* and OUP are attributed as the original place of publication with the correct citation details given;
- if an article is subsequently reproduced or disseminated not in its entirety but only part or as a derivative work this must be clearly indicated.

For commercial re-use, users should contact [journals.permissions@oxfordjournals.org](mailto:journals.permissions@oxfordjournals.org).

## THE LICENCE TO PUBLISH

While this journal will be primarily made available in open-access online form, we also require you to grant us other publication rights (including print) so that we may produce other versions of your work (for example, printed promotional copies or online archival deposits).

Please check or tick either Box A or B

**Box A:** to be completed if copyright belongs to the Author or the Author's employer.

You hereby grant to OUP an exclusive licence for the full period of copyright throughout the world. In particular, this provides OUP with the exclusive right:

- to publish the final version of the Article in the above Journal, and to distribute it and/or to communicate it to the public, either within the Journal, on its own, or with other related material throughout the world, in printed, electronic or any other format or medium whether now known or hereafter devised;
- to make translations and abstracts of the Article and to distribute them to the public; to authorize or grant licences to third parties to do any of the above;
- to deposit copies of the Article in online archives maintained by OUP or by third parties authorized by OUP.

You authorize us to act on your behalf to defend the copyright in the Article if anyone should infringe it and to register the copyright of the Article in the US and other countries, if necessary.

In the case of a multi-authored article, you confirm that you are authorized by your co-authors to enter this licence on their behalf.

**Box B:** To be completed if the Article is protected by UK Crown Copyright, is in the public domain (e.g. a US Government Publication) or cannot be fully licenced as requested above.

Please briefly indicate reasons here: \_\_\_\_\_
