

EUROPEAN RADIATION RESEARCH 2008

The 36th annual meeting of the European Radiation Research Society

ONE MONTH LEFT TO SUBMIT YOUR ABSTRACT!

Dear colleagues,

There is only one month left to submit your abstract to ERR 2008, the 36th annual meeting of the European Radiation Research Society. Please remind that the abstract dead line is **April 30th, 2008**.

This year, new sessions are proposed to highlight some specific topics such as **epidemiologic studies**, **physical dosimetry** and **radiotoxicology**. Among others, confirmed invited speakers are:

Paola FATTIBENE, from the ISS, Italia, about ESR-based physical dosimetry

Bern GROSCHE, from the BFS, Germany, about epidemiological studies on leukaemia cases around NPP

Hubert THIERENS, from the Ghent University, Belgium, about individual radiation sensitivity

Firouz DARROUDI, from the Leiden University Medical Center, The Netherlands, with a state of the art on biological dosimetry

For general information, please have a visit to the web site, <http://ERR2008.irsn.fr>

For registration to the meeting, please download the registration form either from the registration page of the web site or as an attached file to this message, fulfil and return it with your payment to the meeting centre either by E-mail, fax or surface mail at the following address:

Vinci/ERR2008,
BP4225,
37042 Tours cedex 1, France.
fax +33(2) 47 66 42 43
E-mail : production@vinci-conventions.com

For submitting an abstract, please connect to the ERR 2008 web site and follow the instructions indicated in the "submitting an abstract" web page. Alternatively, go to the following address:

https://intelligence.eu.com/bin/usrlogin_err2008?lang=1

Please remind that this year, abstracts will be published in "RADIOPROTECTION" the official journal of the French radiation protection society.

In case of trouble, please contact the organizing committee at irsn.ERR2008@irsn.fr
