www.oxfordjournals.org/collections/archives
Oxford University Press has been publishing high quality journal content at the forefront of academic research for more than a century. We are committed to aiding the dissemination of this research by digitizing the backfiles of the titles we publish ensuring content is safeguarded for the future.

The Oxford Journals Archive Delivers

A Gateway to Knowledge
By unearthing the foundations of current research, the 203 titles in the 2014 Oxford Journals Archive enable readers to explore the changes of opinion over the past 165 years and put present knowledge into context.

Seamless Pathways
Integrated searching via Google Scholar and PubMed, a mobile optimized site, and access to content by IP address or remotely via Athens and Shibboleth (where available) offers readers seamless pathways to quality research.

Enhanced Research Experience
With online content hosted by our partners at HighWire, library users can benefit from the latest tools designed to enhance the research experience including toll free linking from citations to any journal hosted by HireWire Press, and downloadable references in multiple formats including EndNote, ProCite, BibTeX, or RefWorks.

Flexibility
Flexible purchase options allows libraries to purchase the Archive outright to retain perpetual access, subscribe to the complete Archive, pick and choose by subject package, or select titles to purchase on a title-by-title basis.

Library Benefits
- Fill in the gaps in your library’s holdings
- Save shelf space by replacing print volumes with the online versions
- Monitor usage with COUNTER-compliant usage reports
- If a subscriber to the Oxford Journals Collection (content published from 1996 to the present day), you can provide seamless access to your users by completing your library’s collection of OUP journals content.

<td>BioScience</td>
<td>Since 1964</td>
<td>A forum for integrating the Life Sciences, BioScience publishes timely and authoritative overviews of current research in biology. Research is accompanied by essays and discussion sections on education, public policy, history, and the conceptual underpinnings of the biological sciences. Published on behalf of the American Institute of Biological Sciences. *Includes historic title AIBS Bulletin (the predecessor to BioScience) which was published five times yearly on behalf of the American Institute of Biological Sciences from 1951 to 1963.</td>
</tr>
<tr>
<td>Journal of Music Therapy</td>
<td>Since 1964</td>
<td>Journal of Music Therapy seeks to advance research, theory, and practice in music therapy through the dissemination of scholarly work. Its mission is to promote scholarly activity in music therapy and to foster the development and understanding of music therapy and music-based interventions. The journal strives to present a variety of research approaches and topics, to promote critical inquiry, and to serve as a resource and forum for researchers, educators, and clinicians in music therapy and related professions. Published on behalf of the American Music Therapy Association</td>
</tr>
<tr>
<td>Journal of Applied Poultry Research</td>
<td>Since 1992</td>
<td>The Journal of Applied Poultry Research (JAPR) provides practical, reliable, and timely information to those whose livelihood is derived from the commercial production of poultry and those whose research benefits this sector. This journal addresses topics of near-term application based on studies and critical observations, encourages scientific approaches to practical problem solving, and presents information that is comprehensible to a broad readership. Published on behalf of the Poultry Science Association</td>
</tr>
<tr>
<td>Medical Mycology</td>
<td>Archive consists of two historic titles - Sabouraudia (1962-1985) and Journal of Medical and Veterinary Mycology (1986-1997)</td>
<td>A peer-reviewed international journal focusing on original and innovative basic and applied studies, as well as learned reviews on all aspects of medical, veterinary and environmental mycology. Its objective is to present the highest quality scientific reports from throughout the world on such divergent topics as the phylogeny of fungal pathogens, the application of new approaches in the treatment of mycoses such as nanoparticles, and descriptions of new or unusual fungi associated with human or animal diseases, excluding case reports. Published on behalf of International Society for Human and Animal Mycology</td>
</tr>
<tr>
<td>Music Theory Spectrum</td>
<td>Since 1979</td>
<td>Music Theory Spectrum features articles on aesthetics, critical theory and hermeneutics, history of theory, post-tonal theory, linear analysis, rhythm, music cognition, and the analysis of popular music. It also features interdisciplinary articles regarding ethno-musicology, mathematics, musicology, philosophy, psychology, and performance. Published on behalf of the Society of Music Theory</td>
</tr>
<tr>
<td>The Philosophical Quarterly</td>
<td>Since 1950</td>
<td>The Philosophical Quarterly regularly publishes articles, discussions and reviews, and runs an annual Essay Prize. Its distinguished international contributors engage with both the established and the new, for example, through reflection on cognitive psychology, decision theory and quantum mechanics. The Quarterly’s outstanding book review section provides peer review comment on nearly one hundred of the most significant philosophical books each year. Published on behalf of the Scots Philosophical Society / University of St. Andrews</td>
</tr>
<tr>
<td>Uniform Law Review</td>
<td>Since 1973</td>
<td>The Uniform Law Review (Revue de droit uniforme) is a quarterly, bilingual journal offering a unique instrument for reflection and the provision of information on the political and technical problems of the harmonisation of law the world-over, with an ample part being reserved for the work carried out in UNIDROIT. Published on behalf of UNIDROIT</td>
</tr>
<tr>
<td>Music Therapy Perspectives</td>
<td>Since 1982</td>
<td>Music Therapy Perspectives seeks to promote the development of music therapy clinical practice through the dissemination of scholarly work. It publishes all forms of reports that have implications for music therapy practice including clinically-focused research reports, innovative developments, case studies, educational research, and theoretical articles. With a focus on clinical benefits of music therapy, Music Therapy Perspectives strives to serve as a resource and forum for music therapists, music therapy students and educators, and those in related professions. Published on behalf of the American Music Therapy Association</td>
</tr>
<tr>
<td>Poultry Science</td>
<td>Since 1908</td>
<td>Poultry Science is an international journal publishing original papers, research notes, symposium papers, and reviews of basic science as applied to poultry. Currently it is the highest-ranked (by Impact Factor and Eigenfactor) journal dedicated to publishing poultry research. Published on behalf of the Poultry Science Association</td>
</tr>
<tr>
<td>Public Policy and Aging Report</td>
<td>Since 1990</td>
<td>Public Policy and Aging Report publishes articles examining policy issues generated by the aging of society. It is a quarterly publication with each issue focused on one particular subject.
